To Whom It May Concern

Subject: Recommendation letter

This is to inform that the Trade Section of the Delegation of the European Commission in Indonesia has benefited from the cooperation of Mr Harry T. Prabawa of Prabawa & Herawanto Law Firm having its address at the Jakarta Stock Exchange Building Tower II Floor 17, Jl. Jend. Sudirman Kav. 52-53, Jakarta 12190, in several occasions during the past years.

In particular, the advice of Mr Prabawa has been very useful to the Delegation with regards to the Indonesian anti-dumping investigation concerning coated paper concluded in July 2004 and the ongoing Indonesian safeguards investigation concerning ceramics tableware.

During our meetings, I was particularly impressed by the professionalism showed by Mr Prabawa and by his capability in dealing with very complex matters always meeting tight deadlines.

Considering his relatively young age, Mr. Prabawa already showed a great deal of experience in dealing with international trade defence issues and international business matters.

Yours sincerely,

Raffaele Quarto  
Head of the Trade Section
